- (b) A *Complainant* initiating a request to change the language of the *ADR Proceeding* under Section above or initiating a challenge to the withdrawal of *Complaint* due to its administrative deficiency under Paragraph B2(c) below shall pay to the *Provider* separate fees in accordance with the *Supplemental ADR Rules*. If the *Provider* has not received the fee within five (5) days of the date of notification of unpaid fees, the request shall be deemed as withdrawn.
- (c) A *Respondent* electing under Paragraph B3(b)(4) to have the dispute decided by a three-member *Panel*, rather than single-member *Panel* elected by the *Complainant*, shall pay the *Provider* an additional fee specified in the *Supplemental ADR Rules*. In all other cases, the *Complainant* shall bear all of the *Provider's* fees.
- (d) In exceptional circumstances, for example in the event an in-person hearing is held, the *Provider* shall request the *Party* or the *Parties* requesting such event respectively to pay additional fees, which, after its constitution, shall be established in consultation with the *Panel* before scheduling any such hearing.

 - (f) If a *Respondent* does not submit a *Response* or submits solely an administratively deficient *Response*, the *Provider* shall notify the *Parties* of *Respondent's* default. The *Provider* shall send to the *Panel* for its information and to the *Complainant* the administratively deficient *Response* submitted by the *Respondent*. The *Provider's* notification of the *Respondent's* default shall be without prejudice to the *Respondent's* right to have the dispute decided by a three member *Panel* pursuant to Paragraph B3(b)(4) above, provided the fees under Paragraph A.6(c) above have been paid.
 - (g) The *Respondent* can challenge the *Provider's* notification of the *Respondent's* default in a written submission to the *Provider* filed within five (5) days from receiving the notification of *Respondent's* default. The *Provider* shall acknowledge receiving the *Respondent's* challenge and shall forward the *Respondent's* challenge to the *Panel* within three (3) days from its receipt. The *Respondent's* challenge shall be considered by the *Panel* in its sole discretion as part of its

decision making. If the *Panel* confirms that the *Response* is administratively deficient, the *Panel* may decide the dispute based upon the *Complaint* only.

- (h) Nothing mentioned in Paragraph 7, (i) to (iii) above, prevents the *Respondent* from initiating an *ADR Proceeding* against a decision taken by *the Registry* which conflicts with *European Union Regulations*.

4 Appointment of the Panel and Timing of Decision

- (a) The *Panelists* shall be selected in accordance to the internal procedures of the *Providers*. They shall have appropriate expertise and shall be selected in an objective, transparent and non-discriminatory manner. Each *Provider* shall maintain and publish a publicly available list of panelists and their qualifications.
- (b) If neither the *Complainant* nor the *Respondent* has elected a three-member *Panel* (Paragraphs B1(b)(3) and B3(b)(4)), the *Provider* shall appoint a single *Panelist* from its list of panelists.
- (c) Unless it has already elected a three-member *Panel*, the *Complainant* shall submit to the *Provider*, within four (4) days of communication of a *Response* in which the *Respondent* elects a three-member *Panel*, the names and contact details of three candidates to serve as one of the *Panelists*. These candidates may be drawn from the *Provider's* list of panelists; to the maximum extent practicable, such candidates should not have been involved in the last three (3) years in any prior *ADR Proceeding* where the *Complainant* was a *Party*.
- (d) In the event that either the *Complainant* or the *Respondent* elects a three-member *Panel*, the *Provider* shall appoint one *Panelist* from the list of candidates submitted by the *Complainant*, one *Panelist* from the list of candidates submitted by the *Respondent*, and one *Panelist* from its list of panelists. If either *Party* does not duly submit its list of candidates, the *Provider* shall appoint an additional *Panelist* from its list of *Panelists*.
- (e) Once the entire *Panel* is appointed, the *Provider* shall notify the *Parties* of the identity of the *Panelists* appointed and the date by which, absent exceptional circumstances, the *Panel* shall forward its decision on the *Complaint* to the *Provider*.

5 Impartiality and Independence

- (a) The *Panelists* shall have no personal or economic interests in the results of the dispute, and they undertake to resolve the dispute under the principles of good faith, fairness and due diligence. The *Panelists* shall maintain the confidential character of the information disclosed to them during the *ADR Proceedings* as far as such information is not included in the decision to be published.
- (b) A *Panelist* shall be impartial and independent and shall have, before accepting appointment, disclosed to the *Provider* any circumstances giving rise to justifiable doubt as to the *Panelist's* impartiality or independence. If, at any stage during the *ADR Proceeding*, new circumstances arise that could give rise to justifiable doubt as to the impartiality or independence of a *Panelist*, that *Panelist* shall promptly disclose such circumstances to the *Provider*. In such event, the *Provider* shall have the sole discretion to appoint a substitute *Panelist*.
- (c) Apart from the above, the *Parties* can also challenge the appointment of a *Panelist*. The *Party* that challenges a *Panelist* should explain to the *Provider* his reasons for the challenge. The challenge shall be filed within two (2) days from receiving the notice of the subject *Panelist's* appointment, or after having become aware of the circumstances giving rise to justifiable doubt in regard to the impartiality or independence of the *Panelist*.
- (d) When a *Panelist* has been challenged by one *Party*, the other *Party* and/or the challenged *Panelist* will be entitled to submit a response. This right will be exercised within two (2) days after receiving the communication to which the previous Paragraph refers.

- (e) The *Provider* will decide on the challenge, and its decision will be final and not subject to appeal.

6 Transmission of the File to the Panel

The *Provider* shall forward the file to the *Panel* as soon as the *Panelist* is appointed in the case of a *Panel* consisting of a single member, or as soon as the last *Panelist* is appointed in the case of a three-member *Panel*.

7 General Powers of the Panel

- (a) The *Panel* shall conduct the *ADR Proceeding* in such manner as it considers appropriate in accordance with the *Procedural Rules*. The *Panel* is not obliged, but is permitted in its sole discretion, to conduct its own investigations on the circumstances of the case.
- (b) In all cases, the *Panel* shall ensure that the *Parties* are treated fairly and with equality.
- (c) The *Panel* shall ensure that the *ADR Proceeding* takes place with due expedition.
- (d) The *Panel* shall determine in its sole discretion the admissibility, relevance, materiality and weight of the evidence.

8 Further Statements

In addition to the *Complaint* and the *Response*, the *Panel* may request or admit, in its sole discretion, further statements or documents from either of the *Parties*.

9 In-Person Hearings

There shall be no in-person hearings (including hearings by teleconference, videoconference, and web conference). The decision will be handled based on documents or other types of written evidence unless the *Panel* determines, in its sole discretion and as a matter of exceptional circumstances, that such a hearing is necessary for rendering a decision on the *Complaint*.

10 Default

- (a) In the event that a *Party* does not comply with any of the time periods established by these *ADR Rules* or the *Panel*, the *Panel* shall proceed to a decision on the *Complaint* and may consider this failure to comply as grounds to accept the claims of the other *Party*.
- (b) Unless provided differently in these *ADR Rules*, if a *Party* does not comply with any provision of, or requirement under, these *ADR Rules*, the *Supplemental ADR Rules* or any request from the *Panel*, the *Panel* shall draw such inferences therefrom as it considers appropriate.

11 Basis for Decision

- (a) A *Panel* shall decide a *Complaint* on the basis of the statements and documents submitted and in accordance with the *Procedural Rules*.
- (b) The remedies available pursuant to an *ADR Proceeding* where the *Respondent* is the *Domain Name Holder* in respect of which domain name the *Complaint* was initiated shall be limited to the revocation of the disputed domain name(s) /or, if the *Complainant* satisfies the general eligibility criteria for registration set out in Paragraph 4(2)(b) of Regulation (EC) No 733/2002, the transfer of the disputed domain name(s) to the *Complainant*.

and/or the *Terms and Conditions* that the domain name in question shall be transferred, revoked or attributed. However, with regard to any *Registry* decision relating to a prior right invoked during the phased registration period such measures of transfer and attribution will only be granted by the *Panel* if the *Complainant* is the next applicant in the queue for the domain name concerned and subject to the decision by the *Registry* that the *Complainant* satisfies all registration criteria set out in *the European Union Regulations* and to the subsequent activation by the *Registry* of the domain name in the name of the *Complainant* who is the next applicant in the queue.

- (d) The *Panel* shall issue a decision granting the remedies requested under the *Procedural Rules* in the event that the *Complainant* proves

 - (iii) The domain name has been registered or is being used in bad faith.
 - (2) in *ADR Proceedings* where the *Respondent* is *the Registry* that the decision taken by *the Registry* conflicts with the *European Union Regulations*.
- (e) Any of the following circumstances, in particular but without limitation, if found by the *Panel* to be proved based on its evaluation of all evidence presented, may demonstrate the *Respondent's* rights or legitimate interests to the domain name for purposes of Paragraph B11(d)(1)(ii):

 - (ii) the domain name has not been used in a relevant way for at least two years from the date of registration; or

12 Decision-Making and Form of Decisions

- (a) The decisions of the *Panelists* will be final, not subject to appeal, and compulsory for the *Parties*, without detriment to the right of the *Parties* to initiate a court proceeding in a *Mutual Jurisdiction* which will have consequences to the implementation of the decision as described in the *Terms and Conditions*.

In such an event (and should the *Respondent* not submit evidence of relevant use by the postponed date and the *Complainant* prove the remaining elements required by Paragraph B11(f)(2)(iii)), the *Panel* shall decide whether or not to grant to the *Complainant* the requested remedy. Under all other circumstances, the *Panel* shall proceed to a decision without reference to Paragraph B11(f)(2)(iii).
